

Home of the world famous London Bridge, Lake Havasu is a popular year round freshwater fishing destination. Located along the Arizona - California borders, Lake Havasu is 45 miles long with an average lake depth of 30 feet. Whether you're fishing from the shore or a boat, Lake Havasu offers great fishing to both type of anglers. Lake Havasu shore fisherman can take advantage of the many free public access fishing docks including: Site Six, Havasu Springs, Take-Off Point, and Mesquite Cove while boaters can take advantage of free boat launch locations. Lake Havasu offers anglers the choice of fishing for:

[Striper or Striped Bass](#)

Striped Bass can be caught on the surface with topwater lures or at the bottom with cut baits or jigs. Look for flocks of birds feeding on the surface and striper are usually under the birds feeding on shad. Otherwise, find a good point and toss out an anchovy while chumming a few also.

Hot Spots: Site Six, Havasu Springs, Winsor Basin, Main Channel

Hot Lures & Baits: Topwater Lures, Shad Imitations, Anchovies, Chicken Liver
